From (Name) M. R. Ry. Dewan Bahdur, T.Kothandaram Naidu, Garu.

(Designation) Chairman. Municipal Council Hospet

To The Secretary to the Government of Madras,

Local Self Government ---- Department.

MADRAS.

Sir,

G.O. No. 1577 L & M Mis dated 12-6-24.

With due deference I submit that rule 7 of Sche-dule III does not apply to the case under reference. The petitioners and his friends obstructed business. They stood outside the council's room and prevented Councillors getting in. Those inside were not enough to form a quorum. I adjourned the meeting but before they went out three others turned up. A quorum was formed and the business of the day was done. The object of giving notice of a meeting is to keep the council informed of the date and hour on and at which it would be held and the subjects it is required to deal with. In the present case those particulars were

were observed.The obstructionists were cognisant of them. They were invited to present and they refused.The momentary adjourment could not affect the Councillors who did not put in appearance.My action was in accordence with the spirit of the rule which requires the announcement of the meeting time and the business to be transacted.This requirement was complied with.A copy of the proceedings of 18-2-24 is herewith submitted.All the resolutions therein have already been carried out.

I have the honour to be,

sir,

Your most obedient Servant.

294 Motion by the Chairman that Government be requested to carry out the Basavanna Channel extension scheme as a relief work. It will be a paying concern. It is estimated to cost about 2,70,000 and to convert into wet nearly 1500 acres of dry land paying interest on capital expenditure at 8½ per cent per annum. There is a large influx of people from affected parts. Their services can be had at rates lower than the Market rates. Wet cultivation about Hospet attracts the Poor. Sugar-cane crushing and the planting of that crop a fresh will keep them engaged for one month more after which period they will be in a fix not knowing what to do for their means of livelihood.

The resolutions were passed in February last and so far no one seems to have questioned their validity in a court of law. Law Drafting I may be requested to advise whether things may not be left alone or whether they should again be considered and ratified at a ~~Subs~~ Meeting of the Council.

2 The resolutions need not be cancelled in any case as if they are void it is not necessary
